REACH THE SPOT.

To cure an aching back,
The pains of rheumatism,
The tired-out feelings,
You must reach the spot—get at the cause.

In most cases 'tis the kidneys.
Doan's Kidney Pills are for the kidneys.

Charles Bierbach, stone contractor, living at 2625 Chestnut St., Erie, Pa., says:

"For two years I had kidney trouble, and there was such a severe pain through my loins and limbs that I could not stoop or straighten up without great pain, had difficulty in getting about and was unable to rest at night, arising in the morning tired and worn out. The kidney secretions were irregular and deposited a heavy sediment. Doctors treated me for rheumatism, but failed to help me. I lost all confidence in medicine, but Doan's Kidney Pills relieved me so quickly and so thoroughly that I gladly made a statement to that effect for publication. This was in 1898, and during the six years which have elapsed I have never known Doan's Kidney Pills to fail."

A FREE TRIAL of this great kidney medicine which cured Mr. Bierbach will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists; price, 50 cents per box.

Boston, May 8.—Butter has declined still further, but even at a break of 2c. as compared with the previous week, trade is only moderate. Receipts are increasing and the tendency is downward. Northern creamery, 20¢; western, 25¢; dairy, 23¢.

Cheese is steady, with the old stock well cleaned up. New cheese is offering in a moderate way, but is not attracting much attention as yet. York state, 14¢; Vermont twins, 13¢; 14¢; new cheese, 12¢.

There has been a fair business in the local market for fruits and vegetables, but warmer weather is necessary to make the demand more urgent.
